

Blinds Plus and More!

Cleaning & Repair Waiver of Liability

I _____ understand and accept that Blinds Plus and More is being contracted to clean or repair my window treatments and will clean these materials to the best of their ability. I understand and accept that I will not hold Blinds Plus and More responsible for any damage, delaminating, broken parts, broken brackets or other damage that may occur during the cleaning, repair, removal or re – installation of any product cleaned by Blinds Plus and More. Parts that are discontinued may not be available to purchase and may render the product cleaned or repaired unusable. If parts are available, they will be provided and installed upon quotation and acceptance of additional cost for the parts and labor.

I will not seek reimbursement, replacement or any other form of compensation, for blinds or shades damaged or rendered unusable or non - functional during the removal, cleaning process, repair or re - installation. This includes waiving any right to litigation for the products cleaned or repaired and any associated other products that might be matched to these products that were not cleaned or repaired. All cleaning or repair charges will be paid in full after the product is cleaned or repaired, even if the product is rendered unusable.
